# JOSHUA 1:9

# GOOD MORNING DEAR FRIEND.

Thanks for coming to worship the Lord with us today. One of the dangers we face as people, is the same that ancient Israel faced repeatedly. It is the danger of misreading God. They repeatedly forgot or ignored that God is holy, and will not tolerate ongoing open sin among His people. And when they did forget, He would remind them of His holiness, of their need to repent, be forgiven, and to walk with Him in obedience. May God help us see Him as He is, that through Christ we might become as He desires us to be.

Thanks again for coming; have a great week.

Jonathan serves at SIM's Niger head office and Bonnie is teaching women in town who have little to no schooling how to read and write in their own language. ## I Samuel 6:1-7:1

### The Ark Returned to Israel

6 When the ark of the Lord had been in Philistine territory seven months, 2 the Philistines called for the priests and the diviners and said, "What shall we do with the ark of the Lord? Tell us how we should send it back to its place." 3 They answered, "If you return the ark of the god of Israel, do not send it back to him without a gift; by all means send a guilt offering to him. Then you will be healed, and you will know why his hand has not been lifted from you." 4 The Philistines asked, "What guilt offering should we send to him?" They replied, "Five gold tumors and five gold rats, according to the number of the Philistine rulers, because the same plague has struck both you and your rulers. 5 Make models of the tumors and of the rats that are destroying the country, and give glory to Israel's god. Perhaps he will lift his hand from you and your gods and your land. 6 Why do you harden your hearts as the Egyptians and Pharaoh did? When Israel's god dealt harshly with them, did they not send the Israelites out so they could go on their way? 7 "Now then, get a new cart ready, with two cows that have calved and have never been yoked. Hitch the cows to the cart, but take their calves away and pen them up.
