

Thanks for Worshiping With Us

on Christmas Eve, 2020. The message of Christmas Eve stands in clear contrast to the news of this world in 2020, and is needed in our world as much as ever. Jesus Christ is God's answer to the problems of mankind. In confusion, He is the Wonderful Counselor. In weakness, He is the Mighty God. In rejection, He is the Everlasting Father. In turmoil, He is the Prince of Peace. In loneliness, He is the friend who sticks closer than a brother. In sickness, He is the Great Physician. In death, He is the Resurrection and the Life. May we each find Him to be the answer to our every need in life and death. He is truly worthy of our genuine worship, love, and trust. Have a blessed and meaningful Christmas!

"Christmas: the Son of God expressing the love of God to save us from the wrath of God so we could enjoy the presence of God."

- John Piper

"Whatever you may believe about it, the birth of Jesus was so important that it split history into two parts. Everything that has ever happened on this planet falls into a category of before Christ or after Christ."

- Philip Yancey

"Christmas is telling you that you could never get to heaven on your own. God had to come to you."

- Timothy Keller

"And when the Lord Jesus has become your peace, remember, there is another thing: goodwill towards men. Do not try to keep Christmas without goodwill towards men."

- Charles Spurgeon
