# Good Morning Friend.

We're glad you are able to worship with us today. Today's Scripture is very practical in teaching us about how much the Lord loves us. If you have ever felt like temptation is too strong, and God can't possibly understand or love you when you fail, our passage helps us realize that the Lord can sympathize with us, and does not give up on us. May God encourage your heart as you grow in your relationship with Him. Thanks for coming; have a great week!

**Sanctity of Human Life** – President Reagan issued a proclamation creating the first National Sanctity of Human Life Day in Jan. 1984, and it included these words:

"We have been given the precious gift of human life, made more precious still by our births in or pilgrimages to a land of freedom. It is fitting, then, on the anniversary of the Supreme Court decision in Roe v. Wade that struck down State anti-abortion laws, that we reflect anew on these blessings, and on our corresponding responsibility to guard with care the lives and freedoms of even the weakest of our fellow human beings."
