Welcome  
to  
Church

# Good Morning Dear Friend.

We're glad to have you worship the Lord with us today. Jesus Christ (the Messiah) is unique in history. He alone is the One whom God sent to be the Savior of the world. This morning's Scripture passage records for us the warning that Jesus offers to those who hear Him and ignore or reject Him. This word of caution is meant to keep us from taking lightly that which God has made so available to us, and remind us that to whom much is given, much is required. May God keep our hearts sensitive to Him each day.

Thanks for coming; have a great week!

*"The greatest sorrow and burden you can lay upon the Father, the greatest unkindness you can do to Him is not to believe that He loves you."*  
- John Owen

*"A rule I have had for years is: to treat the Lord Jesus Christ as a personal friend. His is not a creed, a mere doctrine, but it is He Himself we have."*  
- Dwight L. Moody

*"Christianity asserts that every individual human being is going to live for ever, and this must be either true or false. Now there are a good many things which would not be worth bothering about if I were going to live only seventy years, but which I had better bother about very seriously if I am going to live for ever."*  
- C.S. Lewis
