Welcome to Church

We're glad you're here!

GOOD MORNING FRIEND.

In life do you ever feel like you are on the losing side? Or do you ever look at the world and feel like God has lost control of what is happening? Today we are looking at an account in Scripture where God's people just suffered a major defeat and it seemed like God had lost. Yet despite what it looked like, nothing had changed with who God was and the power that He has. May we be encouraged today by knowing that God has all power and authority regardless of how it may look from our perspective.

Closing Prayer

For the Lord your God is God of gods and Lord of lords, the great, the mighty, and the awesome God, who is not partial and takes no bribe. - Deuteronomy 10:17

For all the gods of the peoples are worthless idols, but the Lord made the heavens. - Psalm 96:5

"Assemble yourselves and come; draw near together, you survivors of the nations! They have no knowledge who carry about their wooden idols, and keep on praying to a god that cannot save. Declare and present your case; let them take counsel together! Who told this long ago? Who declared it of old? Was it not I, the Lord? And there is no other god besides me, a righteous God and a Savior; there is none besides me. "Turn to me and be saved, all the ends of the earth! For I am God, and there is no other." - Isaiah 45:20-22

I Samuel 5:1-12

The Ark in Ashdod and Ekron

5 After the Philistines had captured the ark of God, they took it from Ebenezer to Ashdod. 2 Then they carried the ark into Dagon's temple and set it beside Dagon. 3 When the people of Ashdod rose early the next day, there was Dagon, fallen on his face on the ground before the ark of the Lord! They took Dagon and put him back in his place. 4 But the following morning when they rose, there was Dagon, fallen on his face on the ground before the ark of the Lord! His head and hands had been broken off and were lying on the threshold; only his body remained. 5 That is why to this day neither the priests of Dagon nor any others who enter Dagon's temple at Ashdod step on the threshold. 6 The Lord's hand was heavy on the people of Ashdod and its vicinity; he brought devastation on them and afflicted them with tumors. 7 When the people of Ashdod saw what was happening, they said, "The ark of the god of Israel must not stay here with us, because his hand is heavy on us and on Dagon our god." 8 So they called together all the rulers of the Philistines and asked them, "What shall we do with the ark of the god of Israel?" They answered, "Have the ark of the god of Israel moved to Gath." So they moved the ark of the God of Israel. 9 But after they had moved it, the Lord's hand was against that city, throwing it into a great panic. He afflicted the people of the city, both young and old, with an outbreak of tumors. 10 So they sent the ark of God to Ekron. As the ark of God was entering Ekron, the people of Ekron cried out, "They have brought the ark of the god of Israel around to us to kill us and our people." 11 So they called together all the rulers of the Philistines and said, "Send the ark of the god of Israel away; let it go back to its own place, or it will kill us and our people." For death had filled the city with panic; God's hand was very heavy on it. 12 Those who did not die were afflicted with tumors, and the outcry of the city went up to heaven.
