*"The real test of progress is how we love God and our neighbor. Everything else is fluff, and potentially dangerous fluff, at that. It gets in the eyes, so that we no longer see clearly as God sees."*  
- Michael Pocock

*"The church that does not evangelize will fossilize... The best remedy for a sick church is to put it on a missionary diet."*  
- Oswald J. Smith

*"The Great Commission is not an option to be considered; it is a command to be obeyed."*

**Today we are happy to welcome** Sebastian Diaz Lopez, who works with Peru Projects, under Angel One Ministries. Sebastian was serving this past week at the EAA Fly-In (Oshkosh), and has graciously come to share with us from God's Word, and about their ministry in the jungles of Peru. In the Peruvian jungle, there are many unreached villages without churches, whose primary outside access is by plane.

**Peru Projects** has been operating for more than 20 years, helping to bring hope to jungle communities through emergency medical flights and sharing the gospel. Their mission? "In obedience to the Great Commission, Peru Projects exists to reach people with the Gospel of Christ, transforming the lives of Peruvian jungle populations." Their aim is to take the gospel to the Peruvian jungle, therefore they work with various programs that help them fulfill that mission.

Sermon Notes:

### Another Great VBS Week in the Books!

We had over 90 kids attend throughout the week. The mission of focus for VBS this year was the Fellowship of Christian Athletes. FCA focuses on serving local communities around the globe by engaging, equipping and empowering coaches and athletes to unite, inspire and change the world through the gospel. The goal was to raise \$3000 & the kids raised over \$3500!!

We also had over 50 volunteers help during the week. A huge thank you to all of our wonderful volunteers! We could not do it without you!
