## **Mission Trip Info and Participation Agreement**

### **General Info:**

Short-term missions trips offer a chance for participants to see and participate in cross cultural missions. We believe that God can teach us big things as we join His work around the world in reaching people for Jesus. We will work alongside veteran missionaries that have established relationships and connections in the communities where they live. Our missions trips involve a busy and sometimes strenuous schedules. Normally we help serve with some type of work projects, but we always try to prioritize time with people. Language skills are not required. Some countries where we travel are considered third world and do not have the conveniences that we have at home. It is important that all are flexible and can adjust. Each missions trip may have an attendance limit.

**Requirements:** To participate you must meet the following requirements.

- Be a follower of Jesus and exhibit a growing relationship
